

Define the contacts and workflow for different types of issues encountered in the restaurant.
Include internal/external contact, numbers, after-hour contact, etc.

Type <small>(Plumb, Elect, Building, HVAC, etc.)</small>	Non-Urgent <small>Not Affecting Sales/Safety</small>	Urgent <small>Sales/Safety Issue</small>

Other Notes/Considerations:

AUTOMATE YOUR WORKFLOW

Let OwlOps communicate and track your tasks.

Automate Workflow
